Hello again,

Well, I've attempted to take the best from each version to develop a document that is easy to read and understand as well as address Snehal's concern. The reading level is 9.0. Your thoughts, please.

Rita et al,

I placed all information under the first heading, tried to use shorter sentences, less complex words, and less detail.

I don't know if you wanted less detail. It is barely under 10th grade...Keep or toss as you all see fit.
